## **ABJET XP SERIES**

3.44 - 4.56 mts (11'3.5" to 15')

ABJET Person Capacity: up to 8

Yacht Range: from 16,7 mts (55ft) and up

The ABJET XP Series has set the standard in the 3.45mts (11ft) to 4.56mts (15ft) jet segment. Its unique deck design maximizes space, designed to comfortably seat people at the rear and many more in the bow area, while optimizing boat stability and promoting efficient weight distribution. The ABJET XP Series has a completely open deck free of obstacles, ensuring easy mobility and a comfortable walkway. Our smaller models in this collection feature a removable seat for increased space while larger models are complete with bow seating which can be conveniently turned into a sunbed for an even more comfortable boating experience.

# ABJET S SERIES

ABJET S Series

2.90 - 3.86 mts(9'6" to 12'8")

ABJET Person Capacity: up to 6

Yacht Range: from 12 mts (+38 ft) and up

The ABJET S Series has become the benchmark in the 2.90 mts (9.5ft) to 3.86 mts (12ft) jet segment.

The ABJET S Series is designed to comfortably seat two people at the pilots seat, offering the most efficient passenger capacity in its segment. With a flat floor deck free of obstructions, an ergonomically positioned throttle, a sport console with cupholders, a convenient platform with a stainless steel sliding ladder, stainless steel handles and rails and, among many other features, the ABJET guarantees a seamless experience on the water.
